Colored Pencil Portraits By Ann Kullberg

Portraits not only capture a likeness, but offer for generations to come a glimpse into the subject's life. Sounds like quite a challenge. But with Ann Kullberg's help, it's not as difficult as you might think to create lifelike colored pencil portraits.

Using her own beautiful portraiture for instruction and inspiration, Kullberg walks you through the process step by step—from basic information about materials and techniques to two demonstrations that show how complete portraits come together from beginning to end.

You'll learn how to:

- choose the right tools and master basic techniques
- compose a portrait—examples show right and wrong ways to do it
- use light to create mood in your portraits
- create a range of rich, believable skin tones
- paint the face—step-by-steps of eyes, mouth, nose and ears make it easy
- paint realistic-looking clothing—step-by-step demos show you how to paint denim, velvet and other fabrics

You'll also find Kullberg's secrets for making your portrait come alive, along with 17 mini-demos that make it easy to paint realistic features, hair and clothing. Inside is everything you need to get started, as well as advice and important information on painting portraits professionally!

Editorial Review

Users Review

From reader reviews:

Daryl Biddle:

Reading a book can be one of a lot of action that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people enjoyed. First reading a e-book will give you a lot of new info. When you read a e-book you will get new information simply because book is one of numerous ways to share the information or perhaps their idea. Second, studying a book will make a person more imaginative. When you studying a book especially fiction book the author will bring someone to imagine the story how the figures do it anything. Third, you can share your knowledge to other people. When you read this Colored Pencil Portraits, you could tell your family, friends and also soon about yours book. Your knowledge can inspire different ones, make them reading a publication.

Ivory Hughes:

Are you kind of hectic person, only have 10 as well as 15 minute in your time to upgrading your mind proficiency or thinking skill perhaps analytical thinking? Then you are receiving problem with the book than can satisfy your short time to read it because this time you only find e-book that need more time to be read. Colored Pencil Portraits can be your answer as it can be read by a person who have those short time problems.

Elmer August:

Reading a book being new life style in this calendar year; every people loves to study a book. When you examine a book you can get a great deal of benefit. When you read textbooks, you can improve your knowledge, mainly because book has a lot of information on it. The information that you will get depend on what types of book that you have read. In order to get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, this kind of us novel, comics, along with soon. The Colored Pencil Portraits will give you a new experience in reading a book.

Kirk Qualls:

In this era globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of references to get information example: internet, classifieds, book, and soon. You can see that now, a lot of publisher that print many kinds of book. The particular book that recommended for you is Colored Pencil Portraits this reserve consist a lot of the information from the condition of this world now. This specific book was represented just how can the world has grown up. The

dialect styles that writer use for explain it is easy to understand. Often the writer made some investigation when he makes this book. That's why this book suitable all of you.
