### The Soldier By Darren Moore

From Wellington's battles against the French in Spain to the horrors of deadly house-to-house fighting by US Marines in Fallujah, this unique history of the soldier provides a penetrating insight into the politics, emotions and psychology of war and its aftermath.

Drawing upon hundreds of narrative accounts of warfare written by soldiers (and sailors, airmen and marines) from many nations, including contemporary accounts from Iraq and Afghanistan, Darren Moore's book, in the words of Martin Bell OBE, 'really gets inside the soldier's mind, and benefits from setting out the record without sentiment. It is a timely and unvarnished reminder of the reality of warfare.'

'A thoughtful study of the impact of fighting on the individual soldier... Moore is particularly good on the intense bonds of comradeship that develop between frontline troops.'

#### Review

'Darren Moore's book really gets inside the soldier's mind and benefits from setting out the record without sentiment. It is a timely and unvarnished reminder of the reality of warfare which should be read by anyone who seeks to understand the burden of war.' -- Martin Bell OBE 'This is a powerful book, and should be read by anyone contemplating taking the queen's shilling.' -- Max Arthur, *Lady Magazine* 'Moore's work serves as a valuable reminder of the real cost of war to the soldiers who actually carry out the fighting, and run the risk of death or appalling injuries, and should be essential reading for any political leader considering a resort to force.' -- *History of War* '...a fine work of military history. It deserves to do well.' -- *War Books Review* 'An intriguing look at the emotion, psychology and politics that underpin soldiering... The Soldier is a valuable reminder of the real cost of conflict to the soldiers who run the risk of mutilation or death. This is essential reading for any military leader or practitioner.' -- *Soldier Magazine* '[a] thoughtful study of the impact of fighting on the individual soldier in which [Moore] examines the process by which, armies try to 'develop an empathetic distance' between new recruits and the enemy they might face one day' -- *Daily Mail* 'A very rich book that thoroughly explores the psychology and behaviour of the soldier on the frontline' -- *Military Illustrated*

#### About the Author

Darren Moore served in the Australian Army for 17 years and held the rank of major when he left the service. He is a graduate of the Australian Defence Force Academy, the Royal Military College, Duntroon and the Australian Command and Staff College. Highlights of his military service include operational deployments to Papua New Guinea and East Timor and serving for two and a half years (2001–03) with the United States Army on an army-to-army exchange, at the conclusion of which he was awarded the US Army's Meritorious Service Medal. In 2011 Darren was awarded a PhD by the University of New South Wales. This is his second book.
