### The Store By Bentley Little

In a small Arizona town, a man counts his blessings: a loving wife, two teenage daughters, and a job that allows him to work at home. Then "The Store" announces plans to open a local outlet, which will surely finish off the small downtown shops. His concerns grow when "The Store's" builders ignore all the town's zoning laws during its construction. Then dead animals are found on "The Store's" grounds. Inside, customers are hounded by obnoxious sales people, and strange products appear on the shelves. Before long the town's remaining small shop owners disappear, and "The Store" spreads its influence to the city council and the police force, taking over the town! It's up to one man to confront "The Store's" mysterious owner and to save his community, his family, and his life!

- \* Bentley Little is the author of *The Mailman*, *The Ignored*, *Dominion*, and *University*
- \* Stephen King praised both *University* and *The Ignored*
- \* Bentley Little's books appeal to the same readership as *New York Times* bestselling authors Stephen King, Peter Straub, and Dean Koontz
- \* Bentley Little is a recipient of the Horror Writers Association's Bram Stoker Award
- \* We have much more coming from Bentley Little

### Editorial Review

#### Amazon.com Review

Bentley Little is a top craftsman of the horror tale in long form. He has the ability, more unusual than you might think, to imagine 300 to 400 pages' worth of horrific incidents that add up to a long-lasting and powerfully unsettling mood. In *The Store* Little examines the steadily expanding influence, over all of us, of chain stores. Listen to what one character says: "A lot of these loonies ... are so worried about the federal government, and I never saw a government agency that worked worth a damn. These guys're so afraid of Big Brother and creeping totalitarianism, but our government's always seemed to me to be full of inept bunglers, not brilliant organized master planners. Hell, they couldn't even pull off a third-rate burglary. It's the corporations we have to worry about, I think. They're the ones with the money. They're the ones who can afford to hire the best and the brightest, to competently carry out their plans."

*The Store* builds paranoia by starting with simple descriptions of the picturesque landscape and the deceptively banal Western town that is Juniper, Arizona. Then The Store arrives. The Store razes a lovely hill to build its huge parking lot. The Store offers well-paying jobs and an astonishing variety of consumer goods. The pattern of delight and worry in the citizens, as The Store spreads its tentacles into local concerns, is believable--disturbingly so. The Store seems like any other of the familiar chains that reproduce like rabbits, invade communities, wipe out small businesses, and turn unique localities into a generic America that looks just the same from Alaska to Florida.

But what exactly goes on, when Samantha and Shannon meet with their boss in the basement of The Store? And who are the Night Managers?

This is dystopia in microcosm. This is horror fiction at its subversive best. --*Fiona Webster*

### Users Review

#### From reader reviews:

##### Ellen Weiss:

Throughout other case, little folks like to read book The Store. You can choose the best book if you like reading a book. Providing we know about how is important any book The Store. You can add know-how and of course you can around the world by a book. Absolutely right, mainly because from book you can recognize everything! From your country till foreign or abroad you may be known. About simple point until wonderful thing you could know that. In this era, you can open a book or maybe searching by internet unit. It is called e-book. You need to use it when you feel uninterested to go to the library. Let's examine.

##### Aaron Powers:

Information is provisions for anyone to get better life, information today can get by anyone in everywhere. The information can be a know-how or any news even restricted. What people must be consider while those information which is from the former life are challenging be find than now could be taking seriously which one is acceptable to believe or which one often the resource are convinced. If you get the unstable resource then you understand it as your main information we will see huge disadvantage for you. All of those

possibilities will not happen inside you if you take The Store as the daily resource information.

**Raymond Langford:**

Don't be worry should you be afraid that this book can filled the space in your house, you will get it in e-book method, more simple and reachable. This specific The Store can give you a lot of close friends because by you taking a look at this one book you have issue that they don't and make you actually more like an interesting person. This book can be one of a step for you to get success. This e-book offer you information that maybe your friend doesn't recognize, by knowing more than various other make you to be great people. So , why hesitate? We need to have The Store.

**Dawn Bliss:**

That book can make you to feel relax. That book The Store was bright colored and of course has pictures around. As we know that book The Store has many kinds or genre. Start from kids until teens. For example Naruto or Investigator Conan you can read and believe that you are the character on there. So , not at all of book are usually make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book for you and try to like reading that.
