Wonder Woman Vol. 1: Blood (The New 52) By BRIAN AZZARELLO, Cliff Chiang

A NEW YORK TIMES Bestseller!

Hippolyta, queen of the Amazons, has kept a secret from her daughter all her life--and when Wonder Woman learns who her father is, her life will shatter like brittle clay. The only one more shocked than Diana by this revelation? Bloodthirsty Hera. So why is her sinister daughter, Strife, so eager for the truth to be told? Superstar writer Brian Azzarello creates a new direction for one of DC's best-known heroes, with spectacular art by Cliff Chiang and Tony Akins!

Collects the first six issues of the critically acclaimed Wonder Woman series!

Editorial Review

From [Booklist](#)

Pity the poor superhero writers, eternally obligated to balance comfortable familiarity with fresh reinvention. Azzarello leans toward the latter, counting on the fact that, for the world's most famous superheroine, relatively little of Wonder Woman's backstory is widely known. He also jettisons proper superheroing in favor of mythological intrigue, as Princess Diana protects a mortal woman pregnant with the child of Zeus, with the political future of Olympus in the balance. Diana also learns the truth of her own heritage: she was not born of clay but is herself a child of Zeus and a victim of a lifelong lie. Azzarello brings the harder-than-usual-hitting action and razor-sharp dialogue from his tough-as-nails 100 Bullets, establishing his heroine as a fierce protector and a woman in search of community. Chiang, meanwhile, merges modern streamlined figures and gritty combat with a classical sense of beauty for a look that's distinctive, but not dissonant, within contemporary superhero comics. Among DC's massive relaunch, the New 52, Wonder Woman stands slightly outside the pack to establish its own mythology and sense of fun. --Jesse Karp

Review

“This is clear storytelling at its best....It’s an intriguing concept and easy to grasp. The reader doesn’t need to know that much about Wonder Woman because she is, well, Wonder Woman.” – *The New York Times*

“Azzarello is...rebuilding the mythology of Wonder Woman.” – *Maxim*

“Azzarello is crafting a highly-intelligent, and surprisingly gory, affair that’s drenched in Greek mythology and godly mischief. And if that’s not enough, artist Cliff Chiang simply kills it on every panel he touches. Put your presumptions aside because this is actually a Wonder Woman book worth reading.” – *Complex Magazine*

“This series will hopefully elevate Diana back into the limelight with Superman and Batman where she belongs.” – *Christian Science Monitor*

“Beautifully illustrated and brings a fresh, fascinating and fun take to the Amazon Princess and her world.” – *IGN*

“It’s a different direction for Wonder Woman, but one still steeped in mythology...great things from Azzarello and Chiang.” – *The Onion AV Club*

“Enthralling.” - *UGO*

“This book is weird and worth your while.” – *io9*

“It’s the kind of writing that’s made Azzarello such a sought after comic book author.” – *CraveOnline*

“Brian Azzarello is going for a much more horror-oriented book than previous incarnations, and that works well with Cliff Chiang’s art. In fact, they’re probably one of the best paired teams for the New 52 so far.” – *Comic Book Resources*

“Page after page, Azzarello just unfurls more and more smart ideas in what is probably the best hope for the

great Wonder Woman story we've all been hoping for. Unsurprisingly, Cliff Chiang delivers some phenomenal visuals, presenting us with a heroine who reads as dynamic, elegant, powerful, and even godly. People, I think they've figured it out.” – *iFanboy*

About the Author

Brian Azzarello, one of the biggest names in comics thanks to his work on 100 Bullets. Batman, Superman, Jonny Double, and the best-selling Joker. Cliff Chiang is best known for his work on Human Target, Batman, Green Arrow & Black Canary, and Red Sonja.

Users Review

From reader reviews:

Kevin Santiago:

As people who live in typically the modest era should be upgrade about what going on or information even knowledge to make these individuals keep up with the era and that is always change and advance. Some of you maybe will certainly update themselves by reading books. It is a good choice for you but the problems coming to anyone is you don't know what type you should start with. This Wonder Woman Vol. 1: Blood (The New 52) is our recommendation so you keep up with the world. Why, because book serves what you want and want in this era.
