A Cultural History of India From Oxford University Press

This book, edited by the well-known historian A. L. Basham, presents a comprehensive survey of Indian culture, covering such aspects as religion, philosophy, social organization, literature, art, architecture, music and science. It includes a special section dealing with the influence of Indian civilization on the rest of the world, as well as details of the political history of the region to provide a chronological framework for the non-specialist. Contributors include such eminent scholars as Radhakrishnan, Burrow, Das, and Spear.

Editorial Review

Review

"[It] is hard to find another anthology that matches the depth and rigor of the contents of this familiar classic. The reviewer recommends this book strongly as a text for advanced high school, undergraduate, and graduate students in a more multicultural United States, U.K., and Australia; the casual reader; the avid tourist; and the many who now are awakened to an interest in India as a rising power." --The Historian

About the Author

A. L. Basham is a well-known historian.

Users Review

From reader reviews:

Lanita Hill:

In this 21st century, people become competitive in each and every way. By being competitive at this point, people have to do something to make these survive, being in the middle of the crowded place and notice simply by surrounding. One thing that often many people have underestimated it for a while is reading. Yep, by reading a guide your ability to survive raise then having chance to stand than other is high. For you who want to start reading a book, we give you this A Cultural History of India book as nice and daily reading reserve. Why, because this book is greater than just a book.

Virginia Scheffer:
