**America in Black and White: One Nation, Indivisible** By Stephan Thernstrom, Abigail Thernstrom

In a book destined to become a classic, Stephan and Abigail Thernstrom present important new information about the positive changes that have been achieved and the measurable improvement in the lives of the majority of African-Americans. Supporting their conclusions with statistics on education, earnings, and housing, they argue that the perception of serious racial divisions in this country is outdated -- and dangerous.
