Ashoka in Ancient India By Nayanjot Lahiri

In the third century BCE, Ashoka ruled an empire encompassing much of modern-day India, Pakistan, Afghanistan, and Bangladesh. During his reign, Buddhism proliferated across the South Asian subcontinent, and future generations of Asians came to see him as the ideal Buddhist king. Disentangling the threads of Ashoka's life from the knot of legend that surrounds it, Nayanjot Lahiri presents a vivid biography of this extraordinary Indian emperor and deepens our understanding of a legacy that extends beyond the bounds of Ashoka's lifetime and dominion.

At the center of Lahiri's account is the complex personality of the Maurya dynasty's third emperor?a strikingly contemplative monarch, at once ambitious and humane, who introduced a unique style of benevolent governance. Ashoka's edicts, carved into rock faces and stone pillars, reveal an eloquent ruler who, unusually for the time, wished to communicate directly with his people. The voice he projected was personal, speaking candidly about the watershed events in his life and expressing his regrets as well as his wishes to his subjects.

Ashoka's humanity is conveyed most powerfully in his tale of the Battle of Kalinga. Against all conventions of statecraft, he depicts his victory as a tragedy rather than a triumph?a shattering experience that led him to embrace the Buddha's teachings. *Ashoka in Ancient India* breathes new life into a towering figure of the ancient world, one who, in the words of Jawaharlal Nehru, "was greater than any king or emperor."

Editorial Review

Review

Fascinating. (Chandrahas Choudhury *Wall Street Journal* 2015-08-20)

Richly thoughtful... The result of all this careful, well-presented thought and research is what is certainly the best biography of Ashoka the Great ever written in English. (Steve Donoghue *Open Letters Monthly* 2015-08-01)

Lahiri has firmly grounded the Ashoka of legend and inscriptions with a novel kind of detail and deliberation, spelling out the connections and implications, combining solid historical analysis with fresh interpretation. (Upinder Singh, University of Delhi)

Where **Lahiri** really scores is in the field of Ashokan archaeology, where she brings together all the work that has been undertaken in the years since 1997...These advances have all been woven seamlessly into Lahiri's narrative, so as to give the clearest chronology yet assembled of the life of Ashoka and what Lahiri calls 'his trajectory as a communicator' and his 'intellectual evolution,' most notably the quite extraordinary change of heart that followed Ashoka's conquest of Kalinga and how this transformed his concept of kingship. (Charles Allen *Literary Review* 2015-09-01)

[**Lahiri**'s] idiosyncratic book combines legends, archaeology, and even personal information shrewdly teased out of the edicts to craft an arresting profile. (Brian Bethune *Maclean's* 2015-09-14)

Many biographies have been published on Ashoka, the greatest king of India, but this biography is different, and perhaps the best written on the extraordinary king. (R. N. Sharma *Choice* 2016-01-01)

About the Author

Nayanjot Lahiri is Professor of History at the University of Delhi.

Users Review

From reader reviews:

Judith Carter:

What do you concerning book? It is not important together with you? Or just adding material when you really need something to explain what you problem? How about your spare time? Or are you busy man? If you don't have spare time to do others business, it is make one feel bored faster. And you have time? What did you do? All people has many questions above. They must answer that question since just their can do which. It said that about reserve. Book is familiar on every person. Yes, it is proper. Because start from on kindergarten until university need this particular Ashoka in Ancient India to read.

Raymond Murray:

Many people spending their time by playing outside along with friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to enjoy your whole day by reading through a book.

Ugh, think reading a book can definitely hard because you have to take the book everywhere? It ok you can have the e-book, getting everywhere you want in your Mobile phone. Like Ashoka in Ancient India which is finding the e-book version. So , try out this book? Let's notice.

Jerry Brower:

As we know that book is significant thing to add our information for everything. By a publication we can know everything you want. A book is a range of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This e-book Ashoka in Ancient India was filled concerning science. Spend your extra time to add your knowledge about your scientific disciplines competence. Some people has various feel when they reading any book. If you know how big advantage of a book, you can sense enjoy to read a book. In the modern era like right now, many ways to get book you wanted.

Ronald Canty:

A number of people said that they feel fed up when they reading a guide. They are directly felt it when they get a half portions of the book. You can choose the actual book Ashoka in Ancient India to make your reading is interesting. Your own personal skill of reading ability is developing when you including reading. Try to choose simple book to make you enjoy to study it and mingle the feeling about book and reading through especially. It is to be initial opinion for you to like to open up a book and study it. Beside that the reserve Ashoka in Ancient India can to be your new friend when you're feel alone and confuse in what must you're doing of their time.
