### **Editorial Review**

#### **Review**

At first glance the reader will realize such a book as this is long overdue before all this has disappeared. --  
The Tombstone Epitaph July 2001

Bicknell's respect for these sites he has explored and photographed, hopes to engender this respect in all visitors. --Cortez, Colorado Newspaper

#### **About the Author**

Robin Scott Bicknell is a respected Archaeologist for more than 30 years. He has recorded rockart sites with Retired Professor of Anthropoloy Dr.Clemens W. Meighan for the UCLA Rock Art Archives. His name Robin 1 is recorded in the San Diego archives for a Native American site found during one of his surveys. Mr. Bicknell a well-known Artist and Photographer has photographed with Al Weber, a friend and colleague of Ansel Adams, who taught with Adams at Yosemite for 18 years. Mr. Bicknell exhibits his artwork throughout the nation and abroad and consist of Photographs of rock art and hand etched rock art. He donates his time teaching the meaning of protecting these rock art sites and has not only given seminars but has visited schools, boyscouts, and outdoor events educating people the importance of these sites. He served his country during the Vietnam War receiving numerous metals for his service. He has been a member of the Elks Lodge for eight years and a member of E Clampus Vitus for 20 years. E Clampus Vitus established by miners at the diggings around Hangtown (placerville) California in 1850. This benevolent organization, which spread through the Sierras, gave aid to fellow miners, their widows, and orphans and still practice till this day. Both organization {Elks & Clampers} practice this and he is proud of belonging to both.

### **Users Review**

#### **From reader reviews:**

##### **Todd Jacobs:**

In this 21st millennium, people become competitive in every single way. By being competitive currently, people have do something to make all of them survives, being in the middle of the actual crowded place and notice by surrounding.
