For courses Management

Concepts and Skills for the Successful Manager

Modern Management: Concepts and Skills is the longest-standing trusted source material on business management. The text comprehensively addresses major concepts such as planning, organizing, influencing and controlling management, as well as the challenges that face all managers. A hands-on approach not only conveys important topics, but also helps readers possess the skills they need to be successful in management.

The **Fourteenth Edition** contains updated information and new case studies and examples to reflect the most recent research and developments in the management world. Illustrated with beautiful photography, the text remains engaging and concise while communicating the most important concepts in management.

Also available with MyManagementLab

MyManagementLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
