What I Thought Was True By Huntley Fitzpatrick

The eagerly anticipated follow-up to *My Life Next Door* is a magnetic, push-me-pull-me summer romance for fans of Sarah Dessen and Jenny Han.

Gwen Castle's Biggest Mistake Ever, Cassidy Somers, is slumming it as a yard boy on her idyllic Nantucket-esque island this summer. He's a rich kid from across the bridge in Stony Bay, and she hails from a family of fishermen and housecleaners who keep the island's summer people happy. Gwen worries a life of cleaning houses will be her fate too, but just when it looks like she'll never escape her past--or the island--Gwen's dad gives her some shocking advice. Sparks fly and secret histories unspool as Gwen spends a gorgeous, restless summer struggling to resolve what she thought was true--about the place she lives, the people she loves, and even herself--with what really is.

Huntley Fitzpatrick delivers another enticing summer read full of expectation and regret, humor and hard questions, and a romance that will make every reader swoon.

Editorial Review

Users Review

From reader reviews:

Mildred Patton:

Reading a guide tends to be new life style in this era globalization. With looking at you can get a lot of information that will give you benefit in your life. With book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Many author can inspire their own reader with their story or maybe their experience. Not only the storyplot that share in the guides. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors in this world always try to improve their skill in writing, they also doing some investigation before they write for their book. One of them is this What I Thought Was True.

Geneva Milbourn:

Reading can called head hangout, why? Because when you find yourself reading a book mainly book entitled What I Thought Was True your mind will drift away trough every dimension, wandering in most aspect that maybe unknown for but surely might be your mind friends. Imaging each and every word written in a reserve then become one contact form conclusion and explanation which maybe you never get ahead of. The What I Thought Was True giving you yet another experience more than blown away the mind but also giving you useful info for your better life in this particular era. So now let us demonstrate the relaxing pattern here is your body and mind will be pleased when you are finished reading through it, like winning an activity. Do you want to try this extraordinary spending spare time activity?

Virgil Santamaria:

Would you one of the book lovers? If yes, do you ever feeling doubt if you find yourself in the book store? Aim to pick one book that you just dont know the inside because don't ascertain book by its handle may doesn't work this is difficult job because you are frightened that the inside maybe not because fantastic as in the outside look likes. Maybe you answer can be What I Thought Was True why because the fantastic cover that make you consider in regards to the content will not disappoint you. The inside or content is definitely fantastic as the outside as well as cover. Your reading 6th sense will directly direct you to pick up this book.

Jose Chapman:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to right now

there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this What I Thought Was True can make you sense more interested to read.
