### You Belong To Me By Mary Higgins Clark

“The mistress of high tension” (*The New Yorker*) and undisputed Queen of Suspense Mary Higgins Clark brings us another *New York Times* bestselling novel that *USA TODAY* calls “her page-turning best” about a killer who targets lonely women on cruise ships, a masterful combination of page-turning suspense and classic mystery.

When Dr. Susan Chandler decides to use her daily radio talk show to explore the phenomenon of women who disappear and are later found to have become victims of killers who prey on the lonely and insecure, she has no idea that she is exposing herself—and those closest to her—to the very terror that she hopes to warn others against.

Susan sets out to determine who is responsible for an attempt on the life of a woman who called in to the show offering information on the mysterious disappearance from a cruise ship, years before, of Regina Clausen, a wealthy investment advisor. Soon Susan finds herself in a race against time, for not only does the killer stalk these lonely women, but he seems intent on eliminating anyone who can possibly further Susan’s investigation.

As her search intensifies, Susan finds herself confronted with the realization that one of the men who have become important figures in her life might actually be the killer. And as she gets closer to uncovering his identity, she realizes almost too late that the hunter has become the hunted. Is she the next one marked for murder?

## Editorial Review

### Amazon.com Review

Much like the real-life *Dr. Laura Schlessinger*, Dr. Susan Chandler, the star of *You Belong to Me*, is a clinical psychologist who hosts a call-in radio show. She's bright, sharp-tongued, and even has "shoulder-length dark blonde hair." Fortunately for Dr. Laura, the similarities end there. During an episode of *Ask Dr. Susan*, Chandler unwittingly gets herself tangled in the web of a dangerous serial killer. It begins innocently enough when Chandler invites Dr. Donald Richards, a criminologist/psychiatrist/author to talk about his book, *Vanishing Women* and the plight of lonely women who are preyed upon by calculating killers. Chandler is particularly interested in the disappearance of woman named Regina Clausen, a high-profile investment advisor who vanished on a luxury cruise. Chandler feels indebted to Clausen--an investing tip she offered on CNBC turned a modest birthday check into a "bonanza"--so the good doctor uses her radio forum to help crack the case. Sure enough, during the last moments of the show, a nervous, married woman who goes by the name "Karen" calls in with invaluable clues. Apparently, she was almost a victim and can identify the murderer, but is frightened to come forward because of an insanely jealous husband. As Dr. Susan pursues her timid witness and digs deeper into the case, she realizes a hair too late that she is also one of the hunted. The fast-moving story line and easily digestible plot of *You Belong to Me* is vintage Mary Higgins Clark. --*Rebekah Warren*

### From [Booklist](#)

Susan Chandler, district attorney turned psychologist, is host of the popular radio show *Dr. Susan*. One of her more interesting guests is a psychiatrist who has written extensively about women who have disappeared. Susan finds the topic fascinating, especially the case of Regina Clausen, a highly respected financial advisor who has been missing for several years. Things grow even more intriguing when Susan gets an on-air call from a woman who had encounters similar to Regina's--she was courted on a cruise ship by a handsome man who gave her a ring with the inscription, "You belong to me." On the way to a meeting with Susan, the woman is gravely injured. Coincidence? Susan thinks not. Her prosecutor's instincts kick in, and she begins an investigation that involves a host of suspects, including the trustee of Regina's family's estate, the jealous husband of the mystery caller, and even the psychiatrist-guest himself. What unfolds is a riveting tale of one woman's quest for the truth. Clark is a smart, entertaining storyteller, and although this novel is not her finest, her fans will request it in droves. *Mary Frances Wilkens*
